LETTER OF RECOMMENDATION

We, Universityhospital of Giessen and Marburg, Department of Gynecology, 35033 Marburg, Germany, are pleased to recommend

DRG Instruments GmbH, Frauenbergstr. 18, 35039 Marburg, Germany

as a very reliable supplier of immunoassays.

We maintain successful and trustful business cooperation with DRG Instruments GmbH since 1980.

We rely on dependable service from suppliers like DRG to help us to treat and satisfy our patients.

We recommend DRG as a reliable and active business partner based on:

- Excellent reputation of the company
- Consistently excellent service
- Efficient technical service
- Excellent quality of products
- Prompt deliveries
- Latest Technologies

Sincerely,

Prof. Dr. med. Peyman Hadji
